DECLARATION

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Arko Gorter, declare as follows.

1. I am a coauthor of a publication, Dürnbach et al., *Cancer Gene Therapy*, pp 564-571 (1999).
2. I understand that a G250 monoclonal antibody was mentioned in the publication. However, I did not release the G250 monoclonal antibody to anyone other than the team members who were under my control and supervision.
3. In fact, the G250 monoclonal antibody used and described in the my publication was received from Prof. Sven Warnaar under confidentiality that restricted the use, disclosure and distribution thereof and I was to not make the G250 monoclonal antibody available to anybody other than my research team, and I did not do so.
4. I state that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further

that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dr. Arko Garter
